Price Detective Checklist

MISSION PRINTABLE

Detective: _____ **Store:** _____

Stay with your grown-up the whole time. Every time you spot a price ending in 99, write it down and round it up to the next whole number.

Example · don't count this row

What is it?	Price	Rounded up	First number changed?
Teddy	*$9.99*	*$10*	*Yes!*

What is it?	Price	Rounded up	First number changed?
